REDEVELOPMENT COMMISSION

Inter–Office Memorandum

To: City Planning Commission Date: 10/20/75

From: Brian H. Collins, Urban Planner

Subject: Bill No. Z-75-07-24 (Attached)

As the Planner assigned to the East Central Neighborhood, I have discussed the above captioned rezoning request with the East Central Neighborhood Association and the Planning Committee of that same Association.

Because this rezoning does not meet the land use and development policies of the East Central Sketch Plan, which is being prepared and will be submitted to the Planning Commission, and because of specific problems relative to the site--the lack of parking and the residential character of the area--the Planning Committee of the East Central Neighborhood Association respectfully requests that this rezoning application be denied.

A resolution to this effect was passed unanimously at the Planning Committee meeting of October 17, 1975.
